WELCOME TO OUR 252ND CLUB NIGHT

Our guest artist tonight is:-

GARRY HUNT

Garry is originally from Ballarat but is now based near the northern Victorian town of Shepparton. As a 15 year old he had a love of country music. His Dad, Norm Hunt, set up a family band and called it "The Westerners Country Band." Garry joined as guitarist and singer, sister Kerry and our cmav drummer Peter Jeffrey, aka PJ. They travelled all over Victoria performing at pubs, clubs and festivals at such places as Wandong, Cranbourne, Geelong and Portland. In the late 70's the Band toured with the Tex Williams show. After several years Garry returned to Ballarat where he joined the cabaret band "Condor" as their bass guitarist. Following on from there he joined Phil Younger and "Country Brew".

In the late 90's Garry joined Mr. Versatile himself as Craig Giles' duo partner, musical director for Festivals and was a part of Craig's award-winning band "Ambush". After leaving Craig, Garry took a well-earned break from music, but the bug was still there. His much-loved father passed away in September 2014 and Garry then decided that music would be his career again. In April 2015 he released his first CD, calling it "A Long Time Coming" which is a very appropriate title because it is Garry's first album in all of his 40 year career.

Let us give this great performer a very warm welcome.

JILLY'S RAMBLINGS

A very warm welcome to our 252nd CMAV Club evening and our first one for 2016. I hope that the festive season was all that you wanted it to be and now I would like to wish each and every one of you a happy and healthy 2016, filled with lots of country music!!!!!!!

This month, our printers, Waller and Chester, are closed for their holidays so this is just a skeleton of a Newsletter!!!

Our guest artist last month was well received, as was his wife Rebecca with her lovely rendition of "Storms Never Last." However the noise level was pretty terrible and our compere had to appeal to the audience several times. During the evening and since then, there have been numerous complaints from members who were annoyed because they could not hear the music because of all the talking!!!

Certain areas are much noisier than others. We do not have the answer but maybe someone in the club does? Next month we might have some notices put around the tables, asking for suggestions re a few different issues. This has been prompted by a string of complaints from dissatisfied members, who are not prepared to put their complaints in a letter to the Committee. A verbal whinge needs back-up before we can deal with it.

With up-and-coming events I will just mention the ones happening very soon and tend to the others next month.
